## Program Objective:

The masterclass has been designed to meet the following objectives:

- Promote ethical culture.
- Increase awareness of ethical issues.
- Lift up levels of decision-making confidence.
- Provide tools for resolving ethical challenges.

This full day program is highly interactive and delivered as a combination of presentation, group discussions, and small-group exercises. Participants will leave with the methods and confidence required for resolving ethical challenges and equipped to confront issues they face on a daily basis, at work and at home. Ethical dilemmas examined during the session are drawn from real experiences shared by the participants.
